

2023 HIGHLIGHTS

2023 was an exciting year for the N.C. Transportation Museum. The year brought growth in attendance and programming as well as numerous site improvements to enhance the visitor experience. The museum saw a record high attendance of 167,417 representing a 16% increase over 2022.

BUILDINGS

- Began restoration on the Powerhouse to become a museum event space and the Car Repair Shed for maintenance of rail equipment.
- Restored the Wheel Balancing Shed and opened it to the public as an exhibit in 2024.
- Began replacement of leaking clerestory windows in the Back Shop, with completion scheduled for Spring 2024.

EQUIPMENT & EXHIBITS

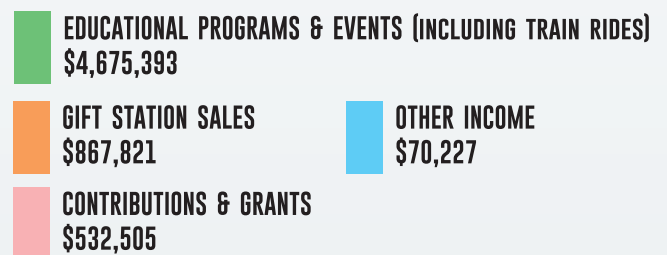

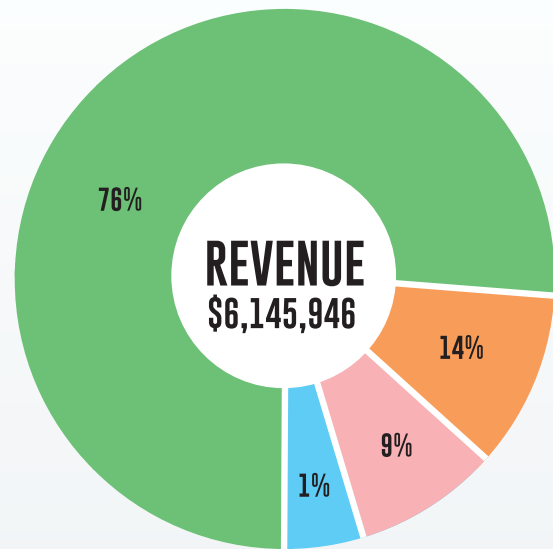

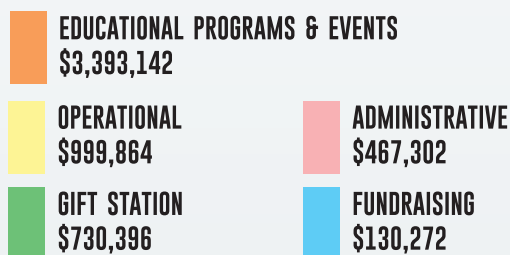

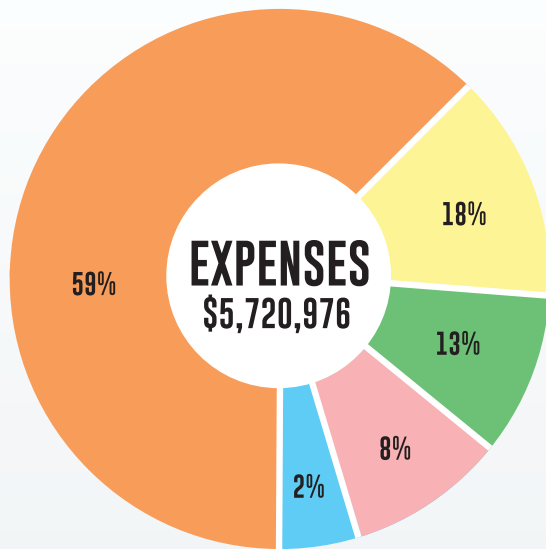

- Restored the Winston-Salem Southbound Caboose #670, donated by the Winston-Salem Southbound Railway Company and funded by the Winston-Salem Chapter National Railway Historic Society.
- Completed exterior restoration of the "Survivor" private rail car donated by the estate of Dante Stephensen.
- Sanded, painted and cosmetically restored the Seaboard Air Line Russian Decapod steam locomotive #544.
- Installed a new exhibit, a Volvo VNR Electric Truck, donated by Volvo Group North America.

PROGRAMMING

- Celebrated the 75th anniversary of Piedmont Airlines with 520 former employees and guests.
- Saw the largest growth in number of automobiles on display at annual auto shows.
- Achieved record group visitation at Wind & Wings: The Science of Flight, leading to expansion of the event in 2024.
